

GREAT FUTURES SPONSORSHIP OPPORTUNITIES

Our Great Futures Vision** is to provide a world-class Club experience that assures success is within reach of every young person who walks through our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle. **GREAT FUTURES START HERE!

Research has shown that during periods of idleness and boredom, children are most vulnerable to peer pressure, violence and other risky behaviors.

We promise our kids a **GREAT FUTURE** by not only keeping them safe and off the streets, but by giving them opportunities that can change their lives.

Through our programs, every young person who walks through our doors will:

- Graduate from high school with a plan for the future
- Demonstrate good character and citizenship, and
- Live a healthy lifestyle

BGCNG PROGRAMS

Character and Leadership

We encourage our youth to **BE LEADERS** for a **GREAT** future. Youth are taught the value of leadership and volunteer work, and are exposed to community service, career-readiness workshops and workplace exchange programs that help them explore future opportunities.

Education & Career Development

We encourage our youth to **BE EDUCATED** for a **GREAT** future. Our programs foster life-long learners by supporting academic success today, setting higher college and career goals for tomorrow and providing access to tools and technology that prepare them for the 21st century. We also encourage our youth to develop their creativity and cultural awareness through knowledge and appreciation of arts.

Healthy Lifestyles

We encourage our youth to **BE HEALTHY** for a **GREAT** future. We offer fitness and preventative health and wellness programs that promote healthy habits and combat the rising epidemic of childhood obesity. Our programs address problems such as drug and alcohol use and premature sexual activity, while gender-specific programs reinforce positive behavior and allow youth to learn from their peers in a safe environment. BGCNG also offers non-competitive sports programs for all genders and all ages.
